

K.Z. Oo

Author & Forensic Psychiatrist

Insight does not make you immune to your own repetition compulsion.

A NEUROSCIENTIST WHO KILLS TO OBSERVE GUILT.

A FORENSIC PSYCHIATRIST WHO STUDIES IT.

THE
SCIENCE
OF
INDIFFERENCE

K. Z. 00

The Science of Indifference — a psychological thriller grounded in forensic psychiatry.

About the Author

K.Z. Oo is an Australian forensic psychiatrist working within high-risk and court-mandated settings. Her work explores control, moral cognition, and the persistence of internal drives. Her fiction translates these realities into psychologically precise narratives.
